Help change lives
Host a livestream fundraiser for the IRC today!

Harness the power of streaming to fundraise for the International Rescue Committee and help people affected by humanitarian crises.

Why help the IRC

For nearly 90 years, the IRC has helped people facing conflict or disaster to survive, recover, and gain control of their future.

When an emergency strikes, we respond quickly, aiming to be on the ground within 72 hours to help people with clean water, urgent medical care, critical supplies and other assistance. We stay for as long as we are needed, helping people and communities to rebuild.

…at a time of unmatched need.

COVID-19 continues to spread in conflict-affected countries with weakened health systems and refugees need our support. Globally, there are more than 82 million people displaced people from their homes. This is the highest number on record.

What your fundraising will do

Founded in 1933, at the call of Albert Einstein, the IRC now works in over 40 countries worldwide. In 2020 alone, donations helped us to provide:

- 31 million people with access to health services
- 6.2 health consultations to keep families and communities safe from COVID-19
- 2.6 million people with clean water
- 1.1 million people with cash vouchers to meet their basic needs
- 819,500 children with education opportunities

For more details of our work and its impact take a look at **Rescue.org.**

It's game on! Next steps to livestreaming for the IRC

- To help you get started, check out our gaming webpage, streaming guidelines, and FAQs.
- For livestreaming you're welcome to use a platform of your choice—including **Twitch**, **YouTube** and **Facebook**.
- For the fundraising component, please use Tiltify - **here's a 'how to' video guide.**

Press the Start Button!

By gaming for the IRC you will help people whose lives have been shattered by conflict and disaster to survive, recover and rebuild their lives.

Together, we can help people in the world's toughest places.

> *The most gratifying part is to work as a team to serve humanity.*
